It's Live TV You don't want to miss STCS featured on PBS! As mentioned in our previous newsletter, six of the fifth grade students from this school participated in the PBS Super School news program at the beginning of this month. This provided the students with the opportunity to become familiar with the basics of journalism along with a chance to say positive things about our school on live television. The participants did a tremendous job and people all across the state of Colorado will be able to watch the broadcast at the following times on PBS:

Sunday, December 16th	2:55 PM
Monday, December 17th	10:55 AM
Tuesday, December 18th	10:25 AM
Wednesday, December 19th	4:55 PM
Thursday, December 20th	2:55 PM
Friday, December 21st	10:55 AM
Saturday, December 22nd	10:25 AM

Board Update

New leadership is one of the important ways to incorporate new energy into an organization and surface new ideas that encourages growth. Bishop Tafoya has recognized the validity of this concept and after discussions with Msgr. Kapushion, prayer, and reflection has appointed a new President of the Board of Trustees of STCS. He has asked Mr. Richard Orona to accept this responsibility, and he has agreed to do so. Bishop Tafoya has appointed him to be President of the Board of Directors for a three year term. Msgr. Kapushion will continue on the Board of Directors in the role of the Bishop's personal representative.

Bible Study

We would like to start a Bible Study Group here at STCS. This would be an informal group, studying together specific chapters of the Bible. No homework. Minimal time commitment. Group meetings would take place during the lunch hour or in the evening one day per week. If this is something you would be interested in please contact Domonique Chavez at 543-6239
